Twenty-Seventh Sunday in Ordinary Time

"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." (Genesis 2:19)

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

BEREAVEMENT

A JOURNEY OF GROWTH AND HEALING

Surviving a Loss

Grief is a process that takes time, but ultimately leads us to heal from the pain of the loss of a loved one: a spouse, a parent, a child, a sibling or a friend. A bereavement program will be held in the basement of Corpus Christi Church, where there is plenty of room to spread out safely. It will begin on Thursday, October 7th from 1-3 p.m. and will continue on Thursdays for 6 to 8 weeks. Please realize and remember that grief is God's wondrous gift to help us to heal, physically, emotionally and spiritually.

Sr. Kathleen Dullea, shch, will facilitate this program. She resides outside Philadelphia where she substitute teaches at a Catholic Elementary school. In order to protect the members of the bereavement group as well as her students. The group will be limited in number of participants, and COVID vaccinations and masks will be required for the safety of all.

If you are interested or if you have a friend or family member who would benefit from this program please contact Sr. Kathleen at 714-366-9063.

There Are Several Alternatives To Abortion

We must educate our young women and girl as to what they are up against.

Tell them abortion is an abomination, a serious sin against God.

Tell them about Birthright and the Crisis Pregnancy Centers in town that will help them

Tell them abortion is not a quick fix to their problems.

They will have repercussions for years to come; an abortion will change their life forever. Tell them abortion is the ultimate child abuse. Tell them adoption is a loving choice; a child brings love. Tell them one child could change the world.

Tell them to give life a chance. We are weeping for the children murdered by abortion and our country that lets them die.
