*"I give you a new commandment: love one another. As I have loved you, so you also should love one another." (John 13:34)*

It is easy to love someone when they love you back. But it takes strength and courage to love someone when we feel unappreciated, used or feel our opinion doesn't matter. It takes courage to "love my neighbor" when he may be someone I don't like, someone I don't know or someone that doesn't look like me.

Corpus Christi Church has joined the Flocknote community, What is **Flocknote**?

It is a communication tool that helps to build a more “connected” church. Your church cares about you. Because they care about you, they want to communicate more easily and effectively with you (and be able to get your feedback too). Using Flocknote allows your church to easily send you the information you care about most via email and text message, and gives you the ability to give them essential feedback, too! Text the word CHI-RHO to 84576 or sign up online at corpuschristichurch2.flocknote.com
