*“Jesus said to him, ‘Go and do likewise’” (Luke 10:37)*

This was Jesus’ command at the end of the Good Samaritan story. Did you know that the Samaritans and Jews despised each other. The moral of the story is to love our neighbor. That means loving someone you may not know or someone that looks different than you or someone that you don’t like. All without expecting anything in return.

**Why is the ancient form called the Extraordinary Form and not the newer form of the Mass?**

The terms "ordinary" and "extraordinary" are more descriptive than prescriptive in Summorum Pontificum. The Holy Father notes in his Letter that the use of the old missal requires a certain amount of liturgical formation and knowledge of the Latin language. He goes on to say that neither of these are found very often. So, in the foreseeable future, the "Ordinary Form" of the Mass will refer to the use of the Mass most commonly said in Catholic churches throughout the world which is the Mass of 1970.

**Missionary Co-Op Plan July 13-14, 2019**

Fr. David Tithong of the Diocese of Kohima will be speaking at all Masses this weekend.

The Diocese of Kohima is part of the great mission legacy of Northeast India, the land of different tribes and tongues, cultures and customs. Today Kohima (comprising the whole State of Nagaland) is the most flourishing and vibrant mission territory in India. From a few hundred Catholics 50 years ago, the number of Catholics has now crossed over 60,000 – thanks to the untiring work of missionary priest, religious and laity. The faith is growing steadily and we need to keep up the momentum. Any opportunity missed is a chance lost forever. In our tribal set up if we fail to respond positively to their interest and seeking, they would turn back, never to return. In the present time the people are well disposed and eager for faith. A unique reality is the missionary zeal of the lay Catholics themselves who reach out and share their faith with others. That is why we are blessed with very significant number of adult baptisms in our parishes on a regular basis. Therefore this is the right time to push ahead with the mission work by providing personnel and resources. The Mission Co-op Plan is an important way you are helping us to do direct evangelization of the non-Catholics, adult faith formation of the baptized, educating children through our Catholic schools, providing healing ministry through medical apostolate and uplifting the quality of life of the population through self-help projects in the rural villages. Thank you in advance.
