Seventeenth Sunday in Ordinary Time

“...We know that all things work for good for those who love God, who are called according to his purpose.” (Romans 8:28) Do you really trust God? Do you really believe that God will provide all that you need? Faith is a challenge for everyone at times. Putting our trust in God, in everything we do, in good times and in bad, means that God’s plan for our lives may be quite different than what we planned. When one door closes, another one opens. Trust in God, His plan is always better.
